## EXPERIENCE

RMD
Founder
2021 – Current

Founded and led a digital design studio with a small team, acting as Creative Director and Webflow Expert across multiple high-impact projects for startups and B2B companies. Currently, empowered by AI to create and deliver faster results.

Warren
Lead Product Designer
Jan 2020 - Nov 2021

Led UI and product design initiatives for a large-scale financial platform.

Garupa Design
Senior Designer
Fev 2019 - Jan 2020

Led UX initiatives for digital products across multiple clients.

Agibank
Senior Product Designer
Out 2016 - Jan 2019

Participated in the creation of Agibank's first digital bank experience.

La Republica
UX/UI Designer
Jun 2016 - Jan 2017

Worked with large national and international brands in partnership with F.biz. Created interfaces for brands such as Dolce Gusto, NET, Claro, and Embratel

Freelancer
Jun 2013 - Jun 2026

Worked for 3 years as a freelancer for small companies in my town, creating websites, graphic design and social media posts.

WD House
Interface Designer
Abr 2011 - Dez 2012

Designed interfaces for corporate websites and e-commerce platforms.

## EDUCATION

Do It English School
2025 - Current

Improvement english language skills

Topway English School
